

Port of Eurajoki

PORT HANDBOOK

Port of Eurajoki

Welcome to Port of Eurajoki – we are an import and export harbor specialized in bulk cargo, such as stone split, pig iron, steel turnings, pulpwood and big bags. As a private port and with the help of our effective machinery, we are able to offer fast and cost-effective handling of our customers' products both from vessel to shore and from shore to vessel.

The private port of Eurajoki is operated and supervised by EcoPorts Finland Ltd.
